The zenith of his childhood would end with a wet dream ushering in his adulthood! This was a coming of age. This would be the coming of Don in a labor of love and a damper of desire. Soon Don would reach his climax, the zenith of his childhood would end with a wet dream ushering in his adulthood! Don was fully aroused now with the sort of fervor that swells in the loins of young boys. He imagined a woman and he wanted to put something inside her, to enter her interior filled with water. This was not the water of tears or fear but a new feeling flowing within her. Right at that moment he was instantly becoming a man. Don somehow envisioned something in his head. It was an image of a woman wearing a red dress. She was panting hard and breathing hurried breath into the darkness. Her legs and thighs tensed as she pushed her body down the narrow hot passage.
