CREATING YOUR OWN ENERGY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Tired of inflated utility bills? Power Up The Planet! By creating your own energy! How would you like to cut your utility bills? And we don't mean just a little bit of savings . . . we're talking serious savings. Maybe you can even make a little money too. If you answered Yes! then read on. 3 Reasons Why Your Timing Is Perfect We aren't joking. With all the emphasis on living green there's no better time to learn about creating your own energy. Power companies keep going back to the well for more money. No company has yet truly captured the power of alternative energy. In order for existing power companies to develop more conservative power generation they need to raise rates even more! Can you imagine how beneficial it would be if only a handful of people out of every thousand had the foresight to generate their own power? Not only would it impact the environment, it would save them thousands of dollars over the life of their investment. This means YOU have an incredible opportunity to learn how to tap into this market and save money personally but you can help contribute to improving this important industry on a global level. The only thing left is to learn how to become self-sufficient and you are off to a great start. We have the information you need in our compact guide entitled Creating Your Own Energy. And The Great Thing Is . . . You don't need any special education - You do it yourself with this new guide. It doesn't require much time to get started - You can start preparing as...
