Brand New Book ***** Print on Demand *****.Excerpt from China at the Peace Conference, August 1919 This Review is devoted to the study of diplomacy and the politics of the Far East. Its purpose is to promote friendly international relations, especially aiming at the promotion of liberal and democratic ideas in this part of the world. The European war ended by the fall of the German Empire. The victory of the Allied and Associated Powers is the triumph of liberal and democratic ideas upon the most hated German imperialism, which endangered the peace of the world. The Peace Treaty has been inspired by the desire for a permanent world's peace as the League of Nations is created in order to assure and maintain such a beneficial peace to the Society of Nations. It has been proved that the Foreign Chancelleries have not been well informed of what happened in the Far Eastern Countries. Their attitude was but often based upon incomplete reports. The time has come for looking more seriously upon the Far Eastern problems. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
