Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DAN THE UNHARMABLE: V. 1 (PAPERBACK)

Avatar Press, United States, 2013. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. Whether you're looking for a detective, hired muscle, a blackmailer, or bedroom entertainment for the ladies, Dan's your man. He's not afraid of anything, and why should he be? He's completely invincible. You can beat him with a lead pipe, stick him in the oven, throw him off a bridge, or shoot him in his noggin, and it's all the same to him. All he needs out of life is just enough cash to keep him in cigarettes and beer for a night or two, and beyond that, he doesn't have a care in the world. But Dan's bohemian paradise is all about to change. Back before he was so unharmable, he left a few loose ends. Now those loose ends are growing up and their mother's been murdered, which not only means that Dan has to solve his most personal case yet, but he's now legally responsible for four human beings who are anything but unharmable. Explosive crime noir as written by a master of the genre, Eisner Award-winning writer David Lapham.
