Form Lessons: To Prepare for and to Accompany the Study of Number (Classic Reprint)

By W W Speer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Form Lessons: To Prepare for and to Accompany the Study of Number In the first grade, this book is designed to aid teachers in systematizing their oral lessons. In the other grades, the book should be in the hands of each pupil. The constant test of the pupil's observation must be the accuracy of his expression. The questions asked are for the pupil to answer, and not the teacher. When his descriptions are not correct, he, through renewed observation, must discover and correct his error. It is not expected that all that can be discovered in the various forms will be seen by first or second-year pupils, but many tests have shown that the work is well adapted for these grades, while it furnishes sufficient material to profitably engage the attention of pupils of any grade. As an aid to mathematical investigation and for securing clear and concise expression, it will, I think, be found helpful even in the high school before beginning the study of scientific geometry, if pupils have not had previous...
