Inukshuk Publications, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With today s high competition in all industries, decreased productivity and performance along with the exit of key employees can be critical for a company s success or even its continued existence. Remember you re not the only show in town! Recent surveys have shown that 61 of employees do not believe what their leaders are saying. The importance of communication in the workplace is more vital than ever before. And communication is 360 degrees! How you speak to your people, your peers, your suppliers and your customers will have a direct effect on the success of your business. Using four simple steps, Linda explains how to tap into your own personal effectiveness and individual strength to be the best! The benefits of reading and implementing this process let you discover: - How to use your individual strengths to motivate and lead - How to be real in interactions to create more effective teamwork - How enhanced communication results in higher productivity and a successful business If you want to increase productivity, attract loyal customers, retain involved employees and improve the bottom line by encouraging authentic communication at all levels of the organization, this book is a must read!.
