SOME POSTTRIBULATIONISTS SAY THE DARNDEST THINGS!: ABOUT PRETRIB RAPTURISTS (PAPERBACK)

Modeler s Resource, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Obviously, not all aspects of Eschatology can be correct. Does this mean however, that an incorrect view of Eschatology means a lack (or even a loss) of salvation? Are the two connected? To hear some talk, the answer would be a vociferous yes. Most often, people point to those who believe and espouse a PreTrib Rapture position, as one major source of error, resulting from deception. Not only is this view seen as erroneous, but it is also believed that the individuals who hold to this position are in grievous danger of falling headlong into the Great Tribulation completely unprepared. The tragic results of this, says those who warn, can only mean one thing: potential loss of salvation due to an underlying deception. Is this where the PreTrib Rapture position naturally leads? This book takes a look at the claims of those who condemn not only the PreTrib Rapture position, but the one who holds the position.
