I got to-day your lovely letter of the 6th, but I never knew my Susie could be such a naughty little girl before; to burn her pretty story instead of sending it to me. It would have come to me so exactly in the right place here, where St. Francis made the grasshopper (cicada, at least) sing to him upon his hand, and preached to the birds, and made the wolf go its rounds every day as regularly as any Franciscan friar, to ask for a little contribution to its modest dinner. The Bee and Narcissus would have delighted to talk in this enchanted air.
