Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I think there is a poem out there for everyone, to be an entrance into the poetry and a relationship with it Natasha Trethewey Careful, this book is for people who mess around with words born out of inner most part of their mind and emotions. How do poets come to poetry? What is the common thinking style that produced great poetry? What characterized the writing strategy of the great poets like William Shakespeare, Yeats and ancient poets Homer and Dante to American poets like Robert Frost and Emily Dickinson. What can a new poet can learn from them? The goal of this book is present story behind my tremendous urge to write poems one day, and was unstoppable for few weeks that flowed as if flooding gates were open. My goal is also to present my poetry writing strategies that came to me spontaneously and show how I am improving to become more poetically creative and hope that it will help you to take plunge into this great ocean of poetry. Each poem is an invention that only nature can patent. Many schools teach poetry writing skills believing that students will be successful in using words in their life. Even though there are established styles of poetry writing one need to better invent his/her own way of creating poetry. How do famous poets generate so much of poetry? Why are so many of their poems rich and varied? A growing number of experts are offering evidence that can characterize the way poets think.
