Anglo-Saxon England (Paperback)

By -

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume makes important contributions to our stock of primary manuscript evidence: it recovers parts of six previously unrecorded charters and analyses two sets of fragments, each unique in its own way - two leaves of Old Testament text written in Mercia or Canterbury early in the ninth century and six leaves of a missal written at Worcester in the mid-eleventh century. Significant issues in both ecclesiastical and secular history are tackled too - the location of Lindsey, the fate of Rutland during the Scandinavian invasions and settlements, and the state of our knowledge of the archaeology of the Five Boroughs of Leicester, Derby, Nottingham, Stamford and Lincoln. Vernacular literature receives its fair share of attention as well: the relationship between author and audience is examined in the cases of a biblical poem and of the prose homiliary which is still least well understood among the principle ones extant. The usual comprehensive bibliography of the previous year's publications in all branches of Anglo-Saxon studies rounds off the book.

Reviews

Undoubtedly, this is the finest job by any article writer. It had been written very perfectly and beneficial. It has been printed in an exceedingly simple way in fact it is only following I finished reading this ebook by which basically modified me, modify the way in my opinion.

-- Lane Dicki

A whole new ebook with a new perspective. I could comprehend almost everything using this written ebook. I am very happy to inform you that here is the greatest ebook I have read in my very own life and may be the best publication for ever.

-- Dee Halvorson
