People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it s as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he s been passed the rarest gift of all: a gift that s not supposed to exist. Now Willet must pursue the murderer still on the loose in Bunard even as he s pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world--a conflict that will force him to come to terms with his own tortured past if he wants to survive.
