Xulon Press, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.True Freedom is discovering our true self and becoming all we were born to be. By surrendering all, we allow God's plan for our lives to manifest. In *Unlocking the Shackles*, Jenna shares from her heart true experiences and circumstances of her down-trodden, poverty-stricken, traumatic childhood years, her struggles as a teenager, the consequences of her unhealthy choices as a young adult, and ultimately the transforming power of the Blood of Jesus, that supernaturally unlocked the shackles that kept her in bondage. In her quest for Truth and Freedom, she went beyond all barriers, break rules, cross cultural and generational boundaries to be free. She shared how her childhood dream of coming to America, opened doors of opportunities she never thought possible. Her unrelenting love for God and His people has given her the privilege to serve in various divine capacities. During one of Jenna's moment of intimacy with the Lord, He challenged her to write her story. Humbly and excitedly, her response was, Yes, Lord. I will do anything for you! This book is filled with her heart-gripping, soul-wrenching and too-awful-to share stories. She exposed the lies of the enemy that had her bound in darkness, and revealed the Truth that sets free. Perfect people with sinless and struggle-free past won't benefit from this book. But for those who have fallen short, you will discover the faithfulness, mercy, grace of a loving Father. Jenna's hope is that through her transparency, she would be able to touch the hearts of those who truly want to be free, and who wants to use their freedom to bring hope and liberation to others, so they too can embrace their destiny with passion...
