Christian Focus Publications Ltd, United Kingdom, 2004. Paperback. Book Condition: New. 297 x 209 mm. Language: English . Brand New Book. Do you want to encourage children to read the Bible? Do you want children to realise that the Bible is God s guide for them, relevant, exciting, dynamic! TnT Ministries have developed On The Way to meet your needs for teaching the children. These books are especially relevant to 9-11 year olds. This is book 2 (of 6) and covers Life in Bible Times and Investigating The Truth . It doesn t matter if you are teaching in a church, community hall, or sports complex the material is flexible enough to suit a wide variety of situations. You photocopy the number of activity pages you need so there is only one book to buy. Every lesson, in addition to an aim, has study notes to enable the teacher to understand the Bible passage, suggested visual aids where appropriate and an activity for the children to take home. Because of the emphasis on teaching basic Bible study skills many of the activities take the form of a work-sheet. These provide opportunity for applying the lessons learnt. Many of the lessons also include a craft activity. Sample: Sample a Lesson from this age range - see our associated downloads below.
