Taylor Francis Inc, United States, 2016. Hardback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Organizations find that a performance gap exists between sustainability vision and benefits realization. Effecting transformational change requires incorporating sustainability into organization s culture including policies, processes, and people. Although they are often overlooked, project management professionals and HR professionals are valuable organizational resources for driving sustainable transformation. This book lays out a framework to improve sustainability integrations including case studies, lessons learned, best practices, and tools and templates to facilitate transforming into a sustainable organization. **Becoming a Sustainable Organization: A Project and Portfolio Management Approach** lays out a framework to create organizational value while preserving natural and social capital. The book provides a roadmap for organizations during their sustainability journey by sharing case studies, best practices, and lessons learned, as well as tools and techniques to drive change. This book is an ideal resource for project and portfolio managers, as well as executive managers, in organizations that are embarking on a sustainability journey. It explains how to engage both internal and external stakeholders in order to reframe strategy to drive this transformation. It examines the role human capital management professionals and policies can play in ensuring that employees become fully engaged in sustainability. It also recommends baseline measurements and metrics to help managers ensure sustainability initiatives remain on track. The case studies and interviews in this book include sustainability stories and projects from a variety of organizations in both function and size, including family-owned businesses, higher-education institutions, NGOs, municipal and federal government agencies, and large global organizations. These cases are based on interviews with experienced sustainability and project management professionals who have not just talked the talk but also walked the walk. The voices of these professionals provide invaluable inspiration...
