Excerpt: .and by producing a blister filled with little eggs, cause the most painful sensations, which, if the sympathetic swelling of the inguinal glands is neglected, are often followed by mortification. The blister, as soon as it gives pain, must be carefully removed, and snuff rubbed into the wound. Besides these, the inhabitant has often other enemies in his house. The white-bellied ant (cupim, termed fatalel, a great number of blattaz, and other vermin, continually oblige him, by their destructive fury, to make new arrangements. The former cause the most terrible devastation wherever they pass in their course; for, metals excepted, they gnaw through every thing; and in a few days, the beams of the house are rotten; the linen, books, and all the household furniture are destroyed. The blatta commits great destruction among the vegetables in particular, and, in the night, even attacks the tips...

Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book I have studied. It is designed in an exceptionally simple way and is particularly just after I finished reading through this publication by which in fact transformed me, alter the way in my opinion.
