The Complete Guide to Making Wire Jewellery: From Beginner to Advanced, Techniques, Projects & Patterns (Paperback)

By Wing Mun Devenney

Search Press Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English. Brand New Book. Wire is a wonderful material for making jewellery: versatile, forgiving of beginners, and available in a variety of shapes, sizes and colours. This book shows you how to combine wire with other materials such as crystals, beads, stones, leather and cords; as well as how to exploit wire's manipulative qualities to wrap, bend, form, twist, weave, knot and knit. Content includes an extensive directory of jig patterns, organised into theme and shown as made-up samples, as well as numbered pattern diagrams so you can reproduce the designs at home in the wire of your choice. Professional jewellery designer and teacher Wing Mun Devenney is known for her beautiful contemporary pieces and is the author of *The Art of Soldering for Jewellery Makers* (Search Press, September 2013).
