Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.
(Georgiana Pacocha)

THE GEORGICS: A POEM OF THE LAND (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2011. Paperback. Condition: New. Bilingual, Reprint. Language: English . Brand New Book. One of the greatest poems of the classical world, Virgil's *Georgics* is a glorious celebration of the eternal beauty of the natural world, now brought vividly to life in a powerful new translation. *Georgic* means to work the earth, and this poetic guide to country living combines practical wisdom on tending the land with exuberant fantasy and eulogies to the rhythms of nature. It describes hills strewn with wild berries in vine-spread autumn; recommends watching the stars to determine the right time to plant seeds; and gives guidance on making wine and keeping bees. Yet the *Georgics* also tells of angry gods, bloody battles and a natural world fraught with danger from storms, pests and plagues. Expansive in its scope, lush in its language, this extraordinary work is at once a reflection on the cycles of life, death and rebirth, an argument for the nobility of labour and an impassioned reflection on the Roman Empire of Virgil's times. Kimberly Johnson's lyrical verse translation captures all the rich beauty and abundant imagery of the original, re-creating this ancient masterpiece for our times.
