## The Federal Registration Service of the United States; Its Development, Problems, and Defects: Prepared for the Second Pan American Scientific Congress Washington, December 27, 1915, to January 8, 1916 (Classic Reprint) (Paperback)

By Cressy Livingston Wilbur

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Federal Registration Service of the United States; Its Development, Problems, and Defects: Prepared for the Second Pan American Scientific Congress Washington, December 27, 1915, to January 8, 1916 The growth of the registration area for deaths is clearly shown in the diagram on page 13, in which the percentages of population and also the percentages of land area included in the area as compared with the total population and land area of the United States are displayed from 1880 to the present times. The geographic distribution of the registration states is shown in the series of cartograms following for the years 1880, 1890, 1900, 1910, and 1915. Full details of the population, by geographic divisions and states, may be found in the detailed tables of the appendices 1 together with death rates and birth rates, according to the best data available, for registration and nonregistration states for various years. The rates for nonregistration states are given solely for the purpose of showing the general relation of the returns to population. They are not properly to be compared...
