Hay House Inc, United States, 2016. Paperback. Book Condition: New. 216 x 135 mm. Language: English . Brand New Book. Success Is for You draws upon many concepts that fans of Dr Hawkins will recognize and applies them to the world of business and the psychology of success. Expanding upon the illuminating discussion of the attractor patterns of success from Power vs. Force, this remarkable book pulls back the curtain on the inner workings of the successful mind. Success, according to Dr Hawkins, is an attitude we inhabit, rather than a goal we strive for. This book provides profound insights and real-world examples to help anyone focus on - and consequently achieve - what they desire. Readers will discover: the causality formula for success (and deconstruction of so-called failure); how goodwill can actually turn to profit; nine acid-test steps to determine our mode of being; and, how to get to the top (and why the destination is really our starting point). As Dr Hawkins says: Having facts and know-how .does not guarantee success. There are other factors involved. It is these other secret factors that we are going to explore. The secret factors - the energetic power principles underlying success - are decoded, delivering an eternal message of possibility for us all.
