QUESTION OF THE FELONIOUS FRIEND: AN ASPERGER'S MYSTERY, BOOK 3 (PAPERBACK)

Llewellyn Publications, U.S., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Is Richard Handy really my friend? It's been one year, two weeks, and three days since Samuel Hoening opened the doors of Questions Answered. The personality traits of his Asperger's Syndrome help him maintain objectivity--a critical component of his business's continuing success. But when Tyler Clayton, a young man who also has Asperger's, asks if a store clerk is truly his friend, Samuel, for the first time, can't bear to give an objective answer. It's a dicey situation that only gets worse when one of the key players ends up dead. Resolving to do the right thing, Samuel, with help from his associate Ms. Washburn, wades into the murky waters of friendship, and the answer he finds may be a revelation to himself most of all. Praise: The investigation is entertaining, but the cleverness of this book is its treatment of the personality disorder, which manages to be funny and at the same time accurate and respectful. --*Elery Queen Mystery Magazine* Samuel Hoening . . . takes on a real puzzler in Copperman and Cohen's winning third Asperger's mystery. --*Publishers Weekly* The ways of the neurotypical continue to perplex this unusual protagonist, much to the delight of readers of all cognitive stripes. --*Kirkus Reviews*.
