Mindszenty, Michael Gordon, Since the last edition in 2006, much has happened in the field of eldercare. There is now an increasing awareness of the complex challenges posed by the expanding aging population in North America. When our parents reach a certain age and have difficulty coping, we find ourselves wondering how to provide them with the kind of love, care, support, and attention they need, just as they have done for us all our lives. The third edition of Parenting Your Parents shows, through 20 case studies and the personal experiences of the authors, that you are not alone and offers crucial advice to help you along this difficult but rewarding journey. It also offers a comprehensive planner to guide and collect information and documentation that will be critical for the proper care of your parents.
