STRUCTURED COMPRESSED SENSING USING DETERMINISTIC SEQUENCES

Condition: New. Publisher/Verlag: epubli | This book briefly introduces structured sensing matrices in compressed sensing, statistical signal processing area, with particular focus on convolutional sensing matrices using deterministic sequence | The problem of estimating sparse signals based on incomplete set of noiseless or noisy measurements has been investigated for a long time from different perspectives. In this book, after the review of the theory of compressed sensing (CS) and existing structured sensing matrices, a new class of convolutional sensing matrices...

Reviews

A high quality pdf and also the typeface used was exciting to see. it absolutely was writtem really properly and useful. I am quickly could get a delight of looking at a composed pdf.

-- **Justina Kunze**

This book is great. it was writtem quite flawlessly and helpful. You will not truly feel monotony at whenever you want of your time (that's what catalogs are for concerning if you ask me).

-- **Sterling Kris**
