The hope is that his daily entries will at some point jog his memory about the actions that led to his arrival on the secretive 7th floor at Effingham. But before he can recall those horrendous actions, a chance encounter with a young female resident has Jack thrust into an entirely new romance in his heart. In time, Jack's memories slowly start to return to him. But as the memories are slow to return, his heart is quick to be given away to the distraught beauty whom he shares a perpetual emotional suffering with....
