Legend Press Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your daughter is dying her black hair fuschia. After eight years of cello lessons, your child prodigy says, I quit. You ask What am I doing wrong? The parenting process is designed to succeed, yet millions of parents wonder if they re doing things right. After raising four kids over thirty years, Richard Greenberg shows how tapping into the common sense you already have is the first key to parenting. This book gives parents an overview of the process while offering specific suggestions and guidelines to reduce conflict between parents and their kids, improve communication within any family, and replace the stress of parenting with true common sense. Teaching children respect means showing respect for ourselves. It s not easy to live an exemplary life, but trying really hard to do so is exactly what being a parent is. None of us are perfect, but every day we have opportunities to show our kids the high road not only in our expectations of them, but in our expectations of ourselves. - R Greenberg.
