I knew I would be able to write a small book after my second breakdown, but I am not very good at wording things, but I have tried my best. These false beliefs went on until my fifth breakdown. I am not a nutter and I am not mad I just wanted to share my experiences with people that have had similar experiences in life. After drinking heavily in the past and suicide attempts and over spending money. I never thought I would get married again and have a new family and friends. I hope the experiences that I have shared with you will be helpful to fellow service users, professionals and people out in the community. To help with the stigma of mental health.
