The world is now filled with notorious events and happenings which you never expect to happen. The worst is that, people are the only reasons why such circumstance exists or occurs. The society is composed of different kind of people with various beliefs and philosophies in life. There are some who would abide by the law provided by the government and are guided by the morals in their religious beliefs. However, a number of people who are take different path that are against the law. And the law of humans are now increasing. Killings, murders, and other type of crimes are evident in different parts of the world. Despite having the authorities to take care of the safety and security of people, some hardheaded people still manage to do things according to their own will and perspective. They are even proud of the number of crimes that they have done. This is evident when Dennis Rader made a loud noise as a serial killer for his number of victims and crimes done. He became the notorious Wichita Serial Killer,...
