Asian women in their thirties and forties are some of the hottest women around. Youve seen them at your local coffee shop or gym. Their bodies are perfect, their faces are beyond beautiful, and they are desperate for the affection, attention, and sexual satisfaction that their husbands dont provide. But go up to one of these women with a hey baby or similar remark, and shes likely to call the cops. In fact, well-off, thirty or forty something Asian women are among the most difficult women to approach. If you dont know what youre doing, its worse than hopeless. Im Derek Strong, an average American white guy who has developed a system that works for getting with hot, well-educated, well-off Asian married women in their thirties and forties. Yes, such women are a fetish of mine, and yes, Ive been with many of them. My methods are easy once you know them, but not obvious if you dont know them. Theyre based on years of my own trial and error, as well as on the experiences of my friends who have tried my methods, and on interviews with the Asian women Ive seduced and I still keep in touch with. Did you know that 10 A. M. is for MILF-hunting what 4: 20 P. M. is for pot-smoking A chapter in this book explains what Im talking about. This book is a complete how-to on seducing married Asian women. You can read it as an instruction manual, or just read it out of curiosity, either as a man or a woman, to see how an average white guy can go to bed with very attractive and very married Asian women...
