**Robot-Assisted Orthopaedic
Surgery**
In-process Calibration and Measurement

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | In-process Calibration and Measurement | An essential book for engineers developing mechatronic systems for robotic surgery. New perspectives on robotic assisted orthopedic surgery are introduced. Recent advances in medical imaging technology have made real-time calibration of robot based on machine vision practical to be used in an orthopedic surgical operation. This book provides basic concept for using visual sensory information on the real-time robotic control and in-process calibration for accurate model of..
