

Serenade (Paperback)

By Ilsa Mayr

Amazon Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. From the moment Rachel Carradine hears the dark, rich tones of Blackie Madigan's alto saxophone, she knows her heart and her hard-fought, well-ordered life are in danger. As the daughter of a jazz musician, she knows the seductive power of the music just as she is familiar with the insecure, irregular, bohemian existence of the musicians. She escaped that lifestyle once and promised herself that nothing on earth could induce her to embrace it ever again. Yet hearing Blackie's Orpheus-like melodies, she is faced with the greatest temptation of her life. But Blackie makes some dangerous assumptions about Rachel that threaten to derail their relationship before it even gets going. Unbeknownst to Rachel, Blackie is Blackstone J. Madigan, the entrepreneur behind the powerful conglomerate that owns Exotica, the company threatening Rachel's professional livelihood. Mistaken identities, secrets, deception--hardly a harmonious beginning. Rachel and Blackie must see if their relationship can overcome these major obstacles and decide how much they're willing to risk and if it will be enough.
