Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from An Aviator s Wife This book may read like fiction, but it is not. The first five months of my married life were spent among the hangars of New York, Chicago, Boston, and Columbus. I recorded events as they happened, before my impressions had time to cool. Then I put the manuscript away and became interested in babies. Now that aviation is coming into its own, and the children are big enough to go to school, I have brought the manuscript from its hiding place and put it in shape for publication.
