Mosby s Nursing Video Skills: Physical Examination and Health Assessment

By Mosby

Elsevier - Health Sciences Division, United States, 2011. Digital. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Step-by-step videos demonstrate how to perform physical examinations! Mosby s Nursing Video Skills: Physical Examination and Health Assessment, 2nd Edition not only shows skills and techniques, but describes how to gather data and interpret findings. This DVD provides over five hours of video content with 15 programs on how to conduct a comprehensive physical exam for each body system and one comprehensive exam of the adult. What makes these videos even more valuable are embedded critical thinking exercises, narrated animations showing anatomic and physiologic processes, and NCLEX-style review questions. New to this edition are Electronic Health Record (EHR) activities and downloadable assessment video clips for use on mobile devices. This is the most complete video program in the physical exam market! Five hours of full-motion video content with 15 programs on how to conduct a comprehensive physical exam for each body system and one comprehensive exam of the adult demonstrate how to gather data, perform physical exams, and interpret findings. Each of the 15 body systems programs (plus head-to-toe assessment) include the following sections: Overview section: Includes the rationale and purpose...
