Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, The Role of Post-Harvest Management in Assuring the Quality and Safety of Horticultural Produce, Food and Agriculture Organization of the United Nations, Basic approaches to maintaining the safety and quality of horticultural produce are the same, regardless of the market to which this produce is targeted. This bulletin reviews the factors that contribute to quality and safety deterioration of horticultural produce, and describes approaches to assure the maintenance of quality and safety throughout the post-harvest chain. Specific examples are given to illustrate the economic implications of investing in and applying correct post-harvest technologies. Criteria for the assessment of post-harvest needs, the selection of post-harvest technologies appropriate to the situation and context, and for extending appropriate levels of post-harvest information are also discussed.
