Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Who needs acid when you ve got memories like mine? Take Turgenev s First Love , turn Vladimir into a girl and Pyotr Vasilyevich into Zinaida s father. Throw in a one way expedition to Mars made into a TV reality show and add a brain-frying orgasm suicide pill. Next add a sprinkling of porn, the advice of a well hung Oxford don, a thief with a camcorder, and a murder trial. Finally set the whole lot to David Bowie s Heathen and you re about done. Stick the events in the year 2024 and have them stewed over by an aged bisexual fifty years beyond that. Spaceman Daddy is a semi-erotic exploration of sex and sexuality, love and death. Julia looks back at a life defined by her tragic first love when she was a history undergraduate at Oxford. Unable to believe her girlfriend s fantastic beliefs about her father, confused by her own sexuality and infidelities, drugs and a world possessed by a space expedition reality show called One Way, Julia decides to exile herself to her own new planet in America. After twelve years of displacement working the San Pomando Valley, she is persuaded by her ex male lover, Dr. Jeremy Bantham, to return to confront the incredible. This adult novel examines the interplay between the privacy of sexuality and social acceptance. It looks at incest and voyeurism without flinching, in order to expose the anatomy of male and female sexualities and sexual politics, cultural norms and queerness. Where do we draw the lines and why? History is a narrative only because things that happened are most easily recalled in sequence....
