Dodo Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The materials for the following sketch have been supplied by the Reports of the Societies for Promoting Christian Knowledge, and for the Propagation of the Gospel in Foreign Parts, by the Colonial Church Chronicle, and by some private letters which have been placed at the disposal of the Compiler, who has to express his best thanks to the Rev. Ernest Hawkins, the Secretary of the Society for the Propagation of the Gospel in Foreign Parts, for much valuable information. They have been brought together to give a summary of the history of a Diocese, created so recently as the year 1847, in answer to Mr. Hawkins appeal in his Preface to the Annals of the Diocese of Fredericton. - Similar manuals of other Colonial Dioceses would, it is conceived, by the diffusion of authentic information, help to create a more general and effectual interest in the welfare of the Church abroad.
