

Capitalism: The Unknown Ideal

By Ayn Rand

Signet. Paperback. Condition: New. 416 pages. Dimensions: 6.7in. x 4.1in. x 1.9in. The foundations of capitalism are being battered by a flood of altruism, which is the cause of the modern world's collapse. This is the view of Ayn Rand, a view so radically opposed to prevailing attitudes that it constitutes a major philosophic revolution. In this series of essays, she presents her stand on the persecution of big business, the causes of war, the default of conservatism, and the evils of altruism. Here is a challenging new look at modern society by one of the most provocative intellectuals on the American scene. This edition includes two articles by Ayn Rand which did not appear in the hardcover edition: The Wreckage of the Consensus, which presents the Objectivist's views on Vietnam and the draft; and Requiem for Man, an answer to the Papal encyclical Progresso Populorum. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
