MORE THAN JUST GAY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sam Preston is a sixteen year old teenager from Great Britain. When he comes out as gay to his parents and his community, he suffers severe abuse and beating. He nearly dies from the severity of injuries inflicted upon him so ultimately his parents make the difficult decision of moving to the USA. At first Sam doesn't have very high expectations of his life in a new country but to his surprise things change positively when he is befriended by a local girl called Marcy. The only problem is, Marcy's hands are often marked by strange looking bruises of which she refuses to talk about. To make matters worse some other girls at school appear to look hurt as well. Will Sam find his courage again and help his new friend or will he fail and lose her forever?.
