Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Autobiography or historical novel? Does The Black Sword exist? First time author Donald L. Vance reveals the reality of a secret American military force fighting in Vietnam during that conflict. He discloses his unorthodox recruitment. He discusses his exhaustive training. He details his covert deployment to Vietnam. I rocked backward and could feel the hand gun on my right hip coming out of its holster. I left my knife in the victim and went for my left sidearm. The Vietcong was aiming at me with my gun at point-blank range. He pulled the trigger. How did he survive? Two years of fighting in the jungles of Vietnam and beyond, the author recounts a few of his adventures during that conflict. What happens after he leaves The Sword? Is this truth disguised as fiction? You decide.
