

## False and Misleading Advertising Keeps Americans Fat and Unhealthy: Learn the Truth; Lose the Fat and Help Restore American Dignity (Paperback)

By Rhonda E Walsh

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.America has changed dramatically through the use of advertisements on radio, television, billboards, newspapers, and it is for the worse. Corporation advertisements have lied or misrepresented products to encourage people to buy them only to find out that later that these products are harmful to the environment and unborn children. Some advertisements created changes in the way Americans have always done things, for example, women have always breastfed their infants until the formula companies said that their product was better than breast milk. At this point in America most women do not breast feed despite the fact that formula companies have now said that breast milk is indeed much better than formula. Now it has become a pattern passed down from mother to daughter to continue and use formula. This is also how pollution is continued through generational use of pesticides that are not good for the environment. There are products that continue to keep Americans overweight and unhealthy and the truth needs to be told about these products through education and more label laws. The issues of genetic modified organisms (GMO)...
