Each level is divided in 9 units. Each of them works on language samples and activities developed following the communicative scope adapted to the necessities and learning styles of the students. Each unit includes 8 pages: 2 dedicated to vocabulary where the lexicon is presented; 2 to grammar that introduce one or two grammatical structures in sentences or short texts; 2 to communication with contextualized conversational models; 1 to skills with varied activities; 1 to reflection exercise; and, 1 to self assessment. At the end of the book there is a grammatical summary and a section with conjugated verbs. The Student's book comes with a CD that includes the activities from the student's book and the workbook.
