Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Arizona is a mysterious place. Temperate, intrinsic, seductive; the people there are true salt of the Earth characters. Quick with a laugh, a story or a side arm, the tundra is unique . different. I found myself locked in this echo-clast while performing work for a well-known medical center in the heart of the State. The sights, the sounds, the balance of luxury and rustic, all blended together my enjoyment of the arid surround. But, something in the air completely arrested my talents. Honed them, shaped them, spoke to them - and this is what was said. Quite honestly, if this book were found by extraterrestrials, it would possibly be studied, revered and maybe even quoted upon as a historical artifact. And they would want to know more about this mystical place . Arizona.
