Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Long range three-pointers, highlight reel crossovers and gravity-defying slam dunks combine to make the NBA one of the most exciting professional sports leagues in the world. Millions of young men dream of playing on the world's brightest stage. With stars hailing from six continents, the NBA is home to a diverse mix of global cultures. As inviting as the league is to foreign players, there is one group it wants nothing to do with: 18-year-old ballers. Instead of having the option to enter the NBA Draft after high school graduation, the next wave of superstars faces a one-year detour. At best, they march unscathed through a season of college basketball before signing a guaranteed contract worth millions of dollars. For the unlucky, however, the path is littered with obstacles preventing them from reaching a life-long goal. No Boys Allowed argues it is in the best interests of both the league and its players to repeal the age limit before more careers are derailed.
