

Garbage in, Garbage Out: Solving the Problems with Long-distance Trash Transport (Paperback)

By Vivian E. Thomson

University of Virginia Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Your garbage is going places you d never imagine. What used to be sent to the local dump now may move hundreds of miles by truck and barge to its final resting place. Virtually all forms of pollution migrate, subjected to natural forces such as wind and water currents. The movement of garbage, however, is under human control. Its patterns of migration reveal much about power sharing among state, local, and national institutions, about the Constitution s protection of trash transport as a commercial activity, and about competing notions of social fairness. In Garbage In, Garbage Out , Vivian Thomson looks at Virginia s status as the second-largest importer of trash in the United States and uses it as a touchstone for exploring the many controversies around trash generation and disposal. Political conflicts over waste management have been felt at all levels of government. Local governments who want to manage their own trash have fought other local governments hosting huge landfills that depend on trash generated hundreds of miles away. State governments have tried to avoid becoming the dumping grounds for cities hundreds of...
