With all the students now settled into the class and enjoying the study group, Alyssia Franklin-Jenkins is enjoying her new life in Kelton Heights. Living near a haunted house is proving to be rather satisfying as spirited Prince Timothy--lover, guardian, and anchor--watches over her with all the other spirits. But lurking in the house are secrets that must be uncovered before the first full moon of the spring, her conference presentation in May, and before George Thackeray and his goons do some serious damage.
