Excerpt from The Last War: A Study of Things Present and Things to Come Rots of the battlefield. The daily papers keep them before us night and day. But this war is revealing worse things than wounds, torture, disease and lingering death. The Church Cari show that war means the Sermon on the Mount stamped under feet, brute forces made the law of life in place of spiritual forces, curse your enemies substituted for love your enemies. In Europe we have the awful spectacle now of even ministers of the Gospel and college professors engaged in cursing the ministers and professors of Opposing countries with all their hearts. But the cursing of the enemy has become the religion of the masses. The Church can show the world how war drives that pity, which Jesus Christ made the acme of divinity in man, entirely out of the human heart and turns the hearts of whole nations into stone. We have had the spectacle of a million women and children being driven ruthlessly from their homes to freeze and starve, and not one ex pression of pity from entire nations - rather there have been exultations over it. The Church can show how war stops the whole progress Of the kingdom of God both at home and abroad, and sets it back for a century. The German missions are all being abandoned. The English missions are beginning to feel the strain. Work for the poor and lowly is being. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
