

Pocket Dictionary for the Study of New Testament Greek (Paperback)

By Matthew S DeMoss

InterVarsity Press, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. If you are beginning your study of New Testament Greek or Greek exegesis, this book is for you! From ablative to zeugma, it defines the tangled terms that infest Greek textbooks, grammars and lexicons. Here is the book to deliver you from late-night ponderings of the predicate and frantic fumings over the fricative. It is the indispensable lexicon to that third language that is neither Greek nor recognizable English: the technical vocabulary of grammarians, lexicographers, linguists and Greek instructors. What's more, this pocket dictionary gives you the inside edge on the terminology of exegesis, textual criticism and biblical criticism. Careful definitions, helpful examples and copious cross-references make this economically priced, brief dictionary easy to use. And its convenient size will make it a constant companion in your study of the Greek New Testament.
