

A Short Guide to a Happy Marriage: Gay Edition (Hardback)

By Sharon Gilchrest O Neil

Cider Mill Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. A long and happy committed relationship can be one of the most rewarding and fulfilling experiences in life--but it doesn't always come easily. Couples can become bored, tired, frustrated, or led astray from one another. Marriage and family therapist Sharon Gilchrest O'Neill has developed a guide of inspiring and simple, yet effective suggestions, to help couples grow together and stay connected through the inevitable storms they must weather. This is a perfect gift for a wedding or commitment ceremony. Edge on the Net in their review says: All in all, A Short Guide to a Happy Marriage: Gay Edition is cute and straight to the point. After reading it, I felt like I was at the end of a counseling session and my therapist was telling my spouse and I things we could do to improve our floundering relationship. While the advice is nothing profound, she offers fun tips to bear in mind while in a committed relationship. The book is relevant for all long-term relationships even if marriage is not a possibility or desire.
