GLASS CHIMERA

Paperback. Condition: New. 290 pages. Dr. William Theseus, a microbiology professor whose family established a great university back in the day, encounters a strange visitor from Britain while undertaking new cloning procedures (in the year 2000.) His assistant, Robby, gets involved in an unanticipated search for rare European booty. But their quest for rare knowledge and rarer golden opportunities is interrupted by the errant thrusts of a silverknife lowlife. Love, precious cargo and genetic engineering splice new levels of...
