Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Robotics and Automation Industry Thought Leaders It s been a year since the launch of the Robotics and Automation News website. And as part of our celebrations, we are moving into book publishing, the first one being this one, a collection of some of the best interviews we have conducted over the past year. It s the first of a series, as we interview interesting people from the tech world on an ongoing basis, and we thought people might like to purchase the conversations as collections contained within a book such as this one. Included in the first of the series are some fascinating interviews with key industry professionals, all of whom are listed and named below, along with the first paragraph for the interview article. Visit Amazon now and buy a copy for yourself, and one for each person in your social network maybe, and be happy in the knowledge that it will help secure this website and, by extension, the Internet itself.
