Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Golden Reed: Or, the True Measure of a True Church Christians in the world of spirits, who had, from the commencement of Christianity, formed to themselves an imaginary heaven in that world, and one, there fore, which could not be permanent. It was an association of professed Christians, based upon a certain agreement in externals all, while in this external state, imagining themselves to be in heaven. But, inasmuch as they were internally very dissimilar in character, therefore, when their interior or higher, their real life is unfolded and made manifest, their association must be broken up, and thus their imaginary heaven must pass away. And at the same time, and in consequence of this event, a higher or more interior, because more spiritual life is Opened to the View of Christians on earth; a higher, truer, more permanent, because more real and spiritual ground of union among Christians is disclosed and a higher, or more interior and spiritual sense to the Sacred Scriptures, is revealed - a sense, which, resting upon the latter as the sunlight upon the clouds, exhibits the marvellous and hitherto almost hidden glory of the divine Word - a sense, which, when it comes to our understandings in all its glory, and to our hearts in all its power, reveals to us the true meaning of that predicted second appearing of the Lord, which was to be upon the clouds of heaven, with power and great glory. This higher Spiritual sense of the divine Word, which was to be, and has been, unfolded, shows us what is an internal, genuine, and therefore permanent church, and what is an external.
