AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Howdy! Have you ever had a pet that was truly special. Now I am not talking about special markings or a certain breed. I am talking about a special ability to communicate with all walks of life. Gilligan the goat has this special quality about him. In this book you will see the world through his special glasses. BTW (by the way for non-texters) have you ever looked at a goats eyes. They are very glossy and their pupils are very different. This might have something to do with the reason for Gilligan s desire to experience a new world. The Backyard is the first in a series of non-fictional stories about Gilligan and his unique travels. Collect all ten. You will explore your own pet history and learn more about your family history. Remember, the power of family communication grows through sharing and caring about literacy. Enjoy! Read for a better world!.
